To the Team Manager,

As with all groups, team morale is crucial to the success of any venture and the overall happiness of participants. We are skilled to assist your team with team building, effective communication, conflict resolution and just plain FUN!

We begin the program with an interactive discussion regarding the desired outcomes for the day and progress to some fun ice breakers followed by our outdoor activities. To ensure the optimal learning experience all activities are briefed before and debriefed after to discuss challenges, reiterate the healthiest solutions, the lessons learnt and how to implement them in 'real' life.

Our corporate package focuses on developing life skills through the following team building activities: Middle Ropes Course, Group Dynamics and Orienteering. We also promote self-development through individual based activities such as Abseiling, Trapeze, Climbing Walls and Sky Frame.

As Hobbiton is a registered Non-Profit Organisation and Public Benefit Organisation all funds will go towards ensuring the provision of essential life skills to all sectors of the community with specific focus on disadvantaged youth of the Eastern Cape.

Accommodation at The Edge:

A special corporate team building rate of a 30% discount on one night or come for three nights, pay for two and get a third night free.
